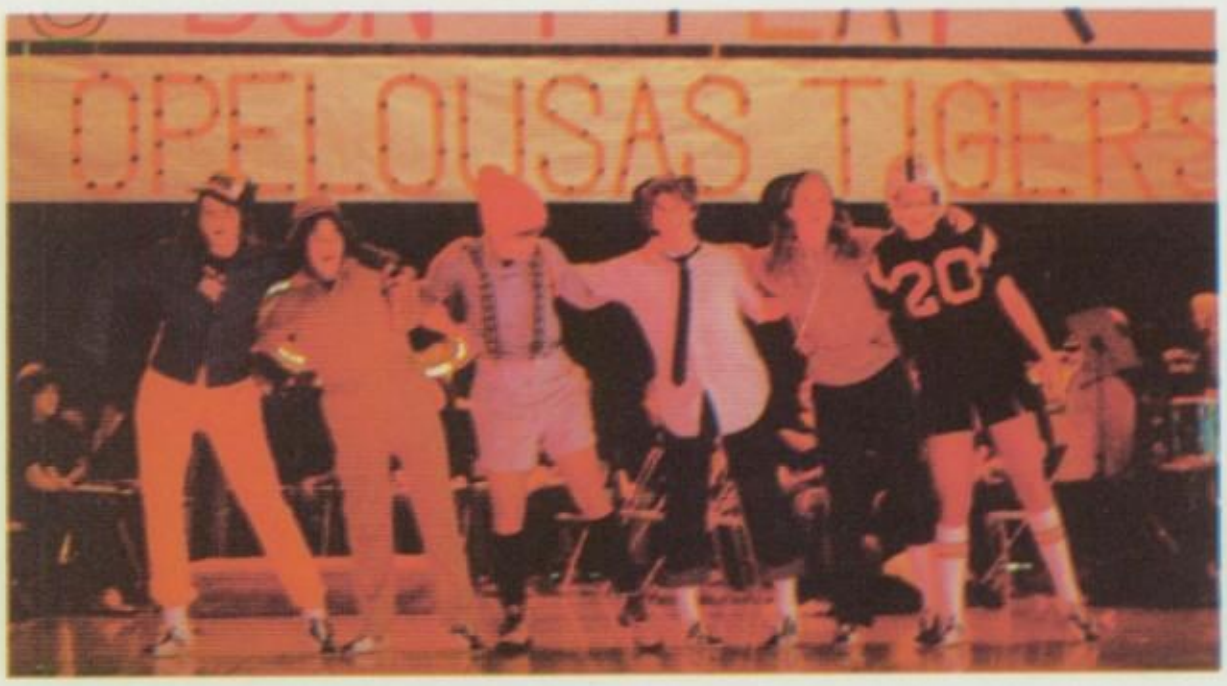
O Neville High we sing to thee,

O Neville High we praise . .

Students of Neville continue to sing praises to our school. Our sense of pride and loyalty is seen in all aspects of school life—from the singing of the Alma Mater at assemblies to the flag raising ceremony every morning.

Students not only praise Neville by singing, they also praise it by showing their spirit at football games.



Students give up their time after school to practice for ball games, half-time shows, concerts, and assemblies.

AND THERE WE KEEP OUR LOYALTY
AND ALL THE MEMORIES OF THEE . . .

O Neville High we bring to thee,

the love of all our high school days

As students we came to Neville High School as enthusiastic individuals, unaware of our many hidden talents to be discovered. No matter what our talents–sports, music, or leadership–we all express them with our love and loyalty for Neville High School.

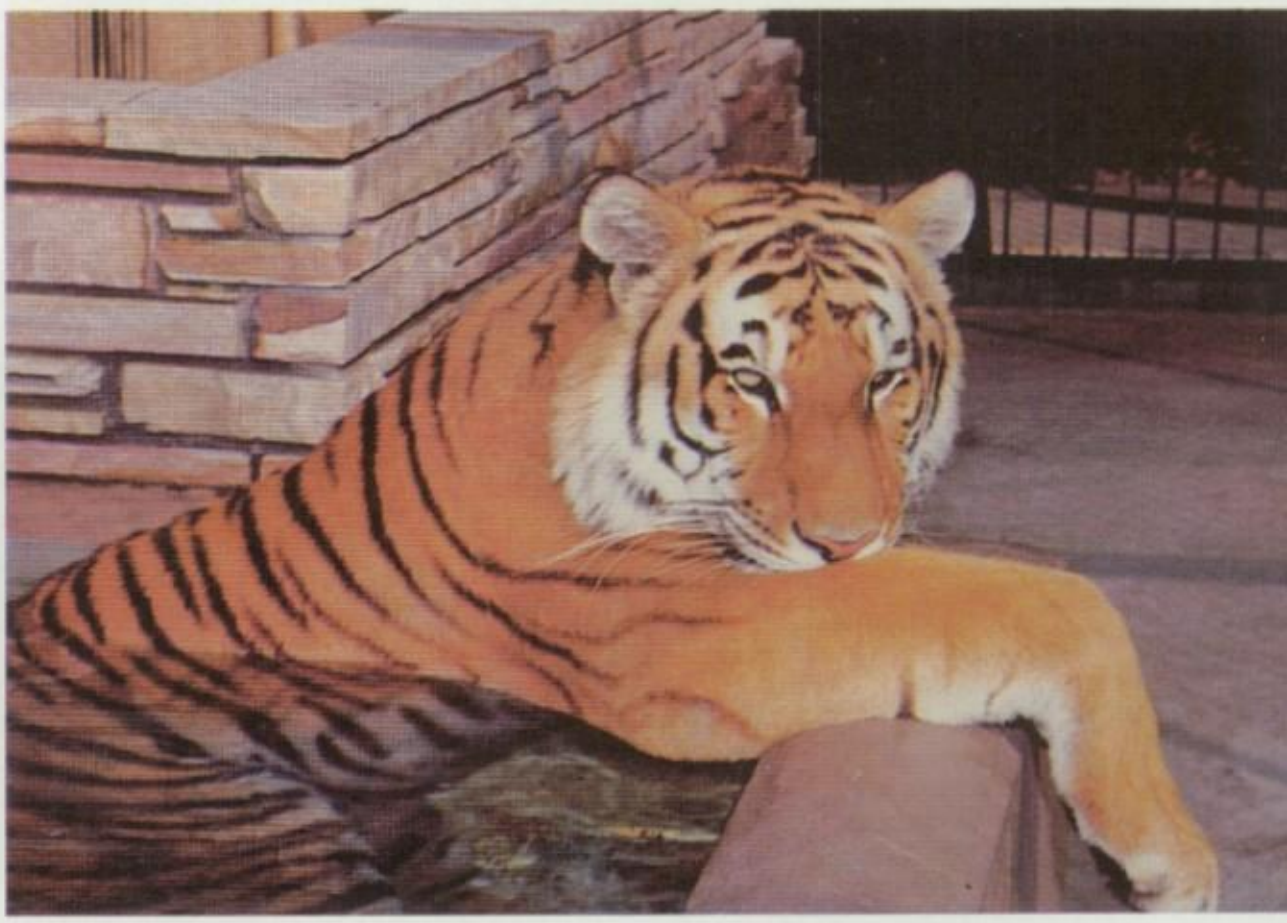
We begin our first year at Neville with an overwhelming feeling of admiration and respect, and this feeling soon gives way to a love that only true Tigers can understand. When we leave, we carry these emotions away with us and cherish them always.

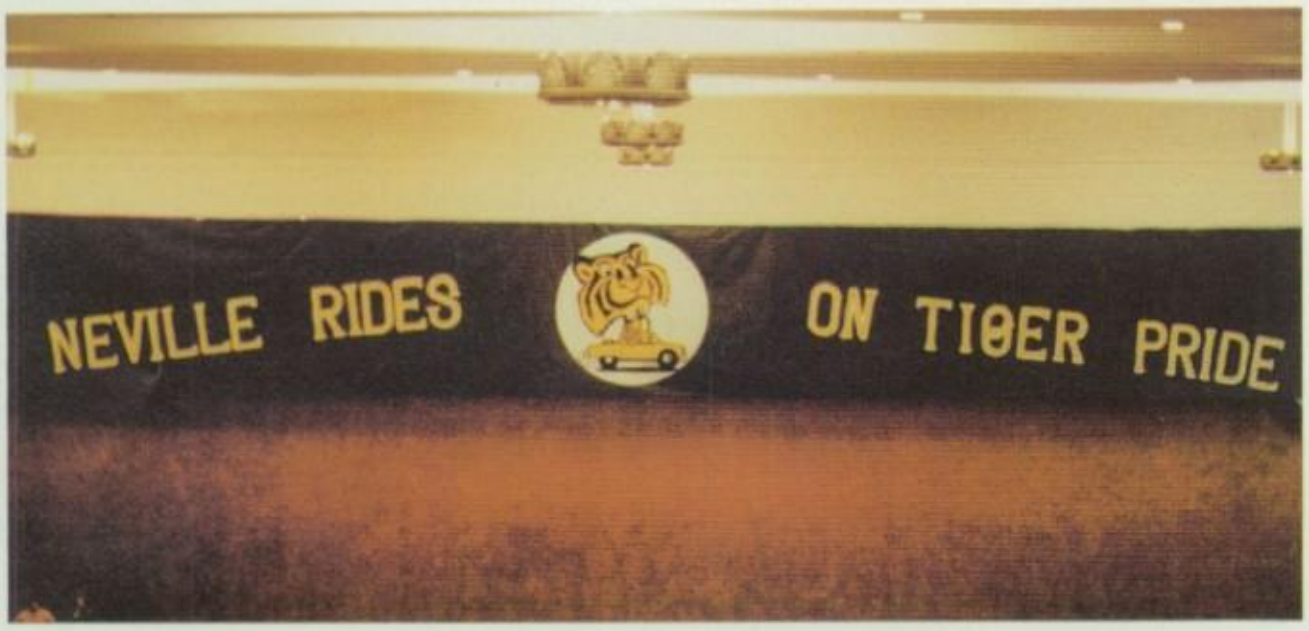
AND THERE WE KEEP OUR LOYALTY,
AND ALL OUR MEMORIES OF THEE . . .

And deep in our hearts

we hold a place eternally . .

How does Neville High School hold together? Pride, and that's what has made Neville special to her students. The spirit of Neville continues to live on in each student after they have graduated. They will always hold a special place in their hearts for Neville.



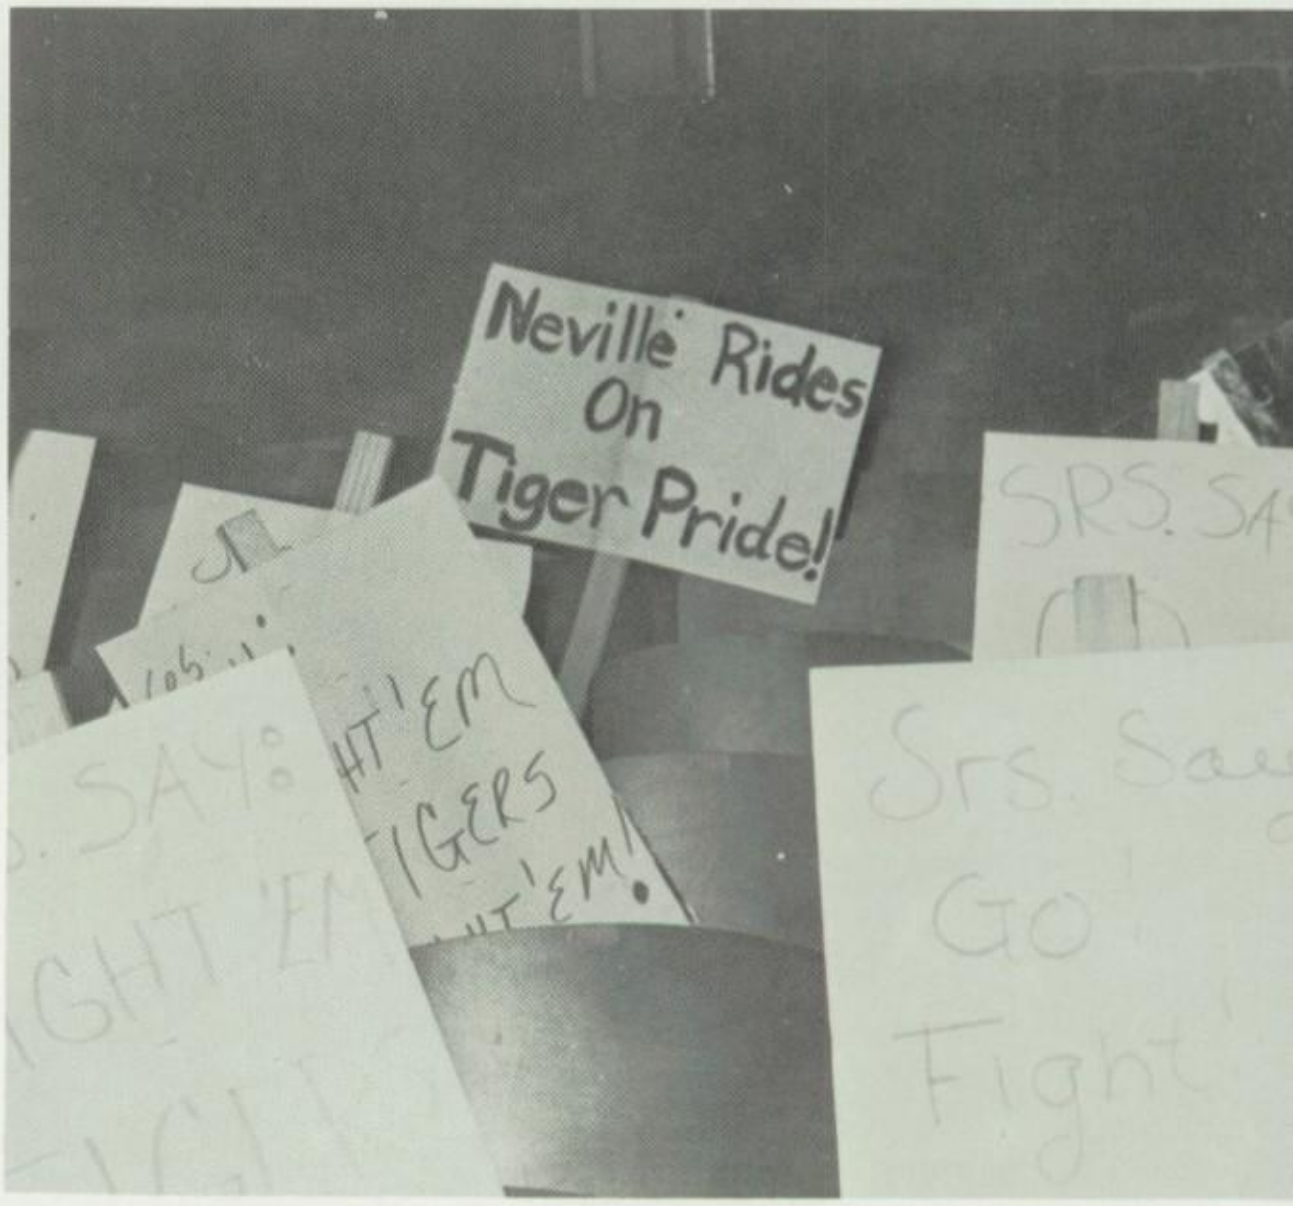


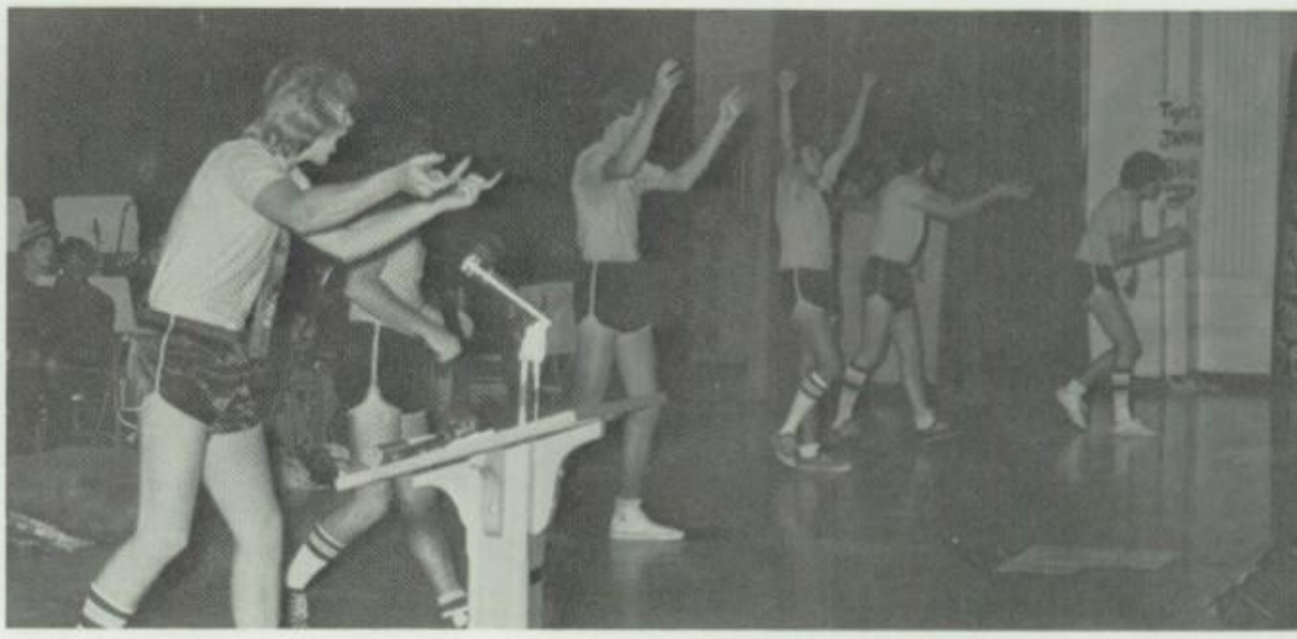
Neville's spirit sets it apart from all other schools. Many schools may claim to have an over-abundance of spirit and pride, but only Neville knows what true pride really is. To a Neville student, teacher, alumni, parent, or even fan, Tiger Pride is the ONLY Pride.

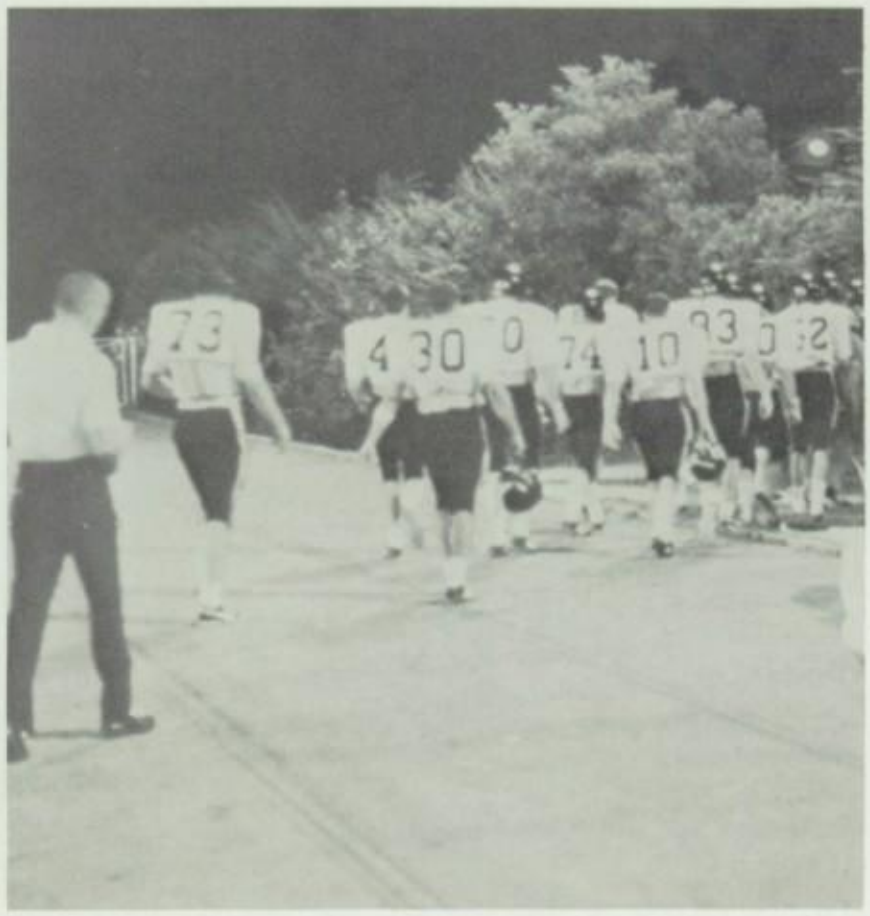
AND THERE WE KEEP OUR LOYALTY,
AND ALL THE MEMORIES OF THEE . . .

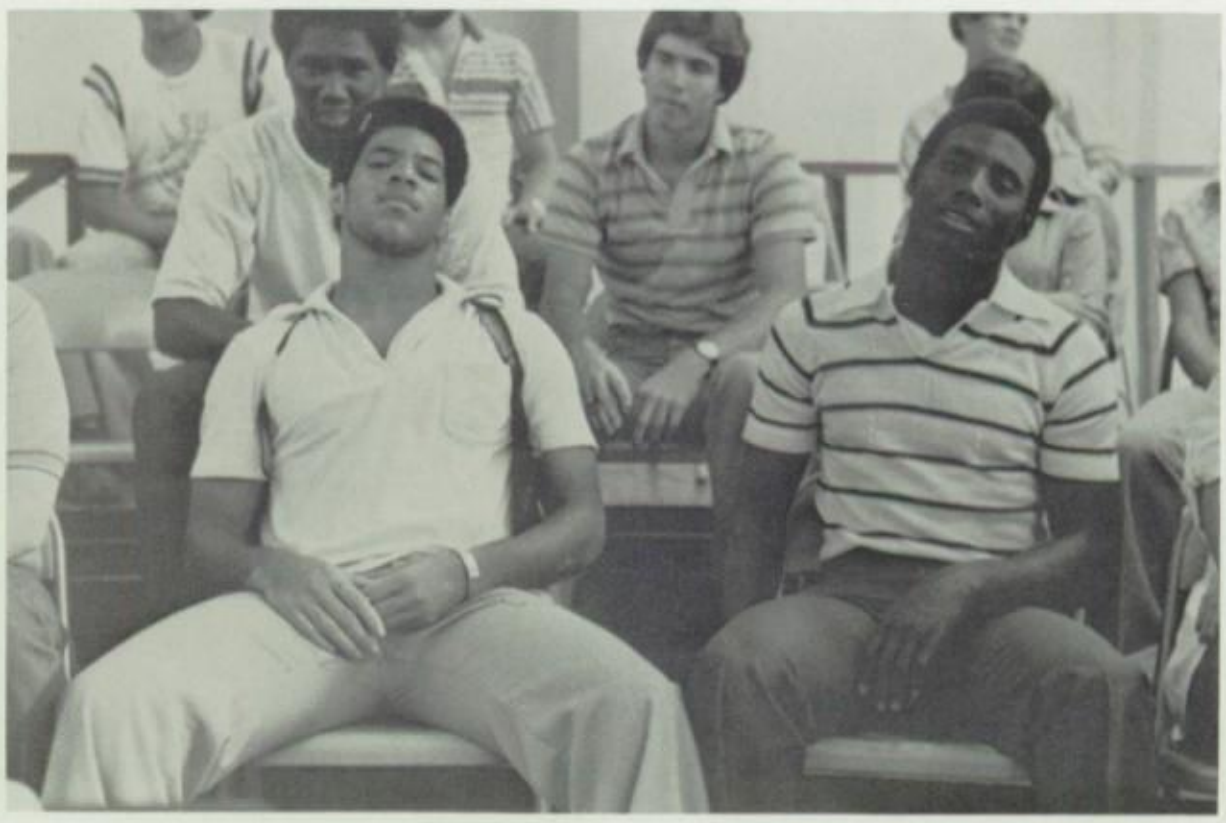
And there we keep our loyalty,

We leave as we came; The doors are the same; Yesterday they were the beginning of our high school years. Today th
are the beginning of a new life; but still our loyalty remains ever steadfast with Neville High School.

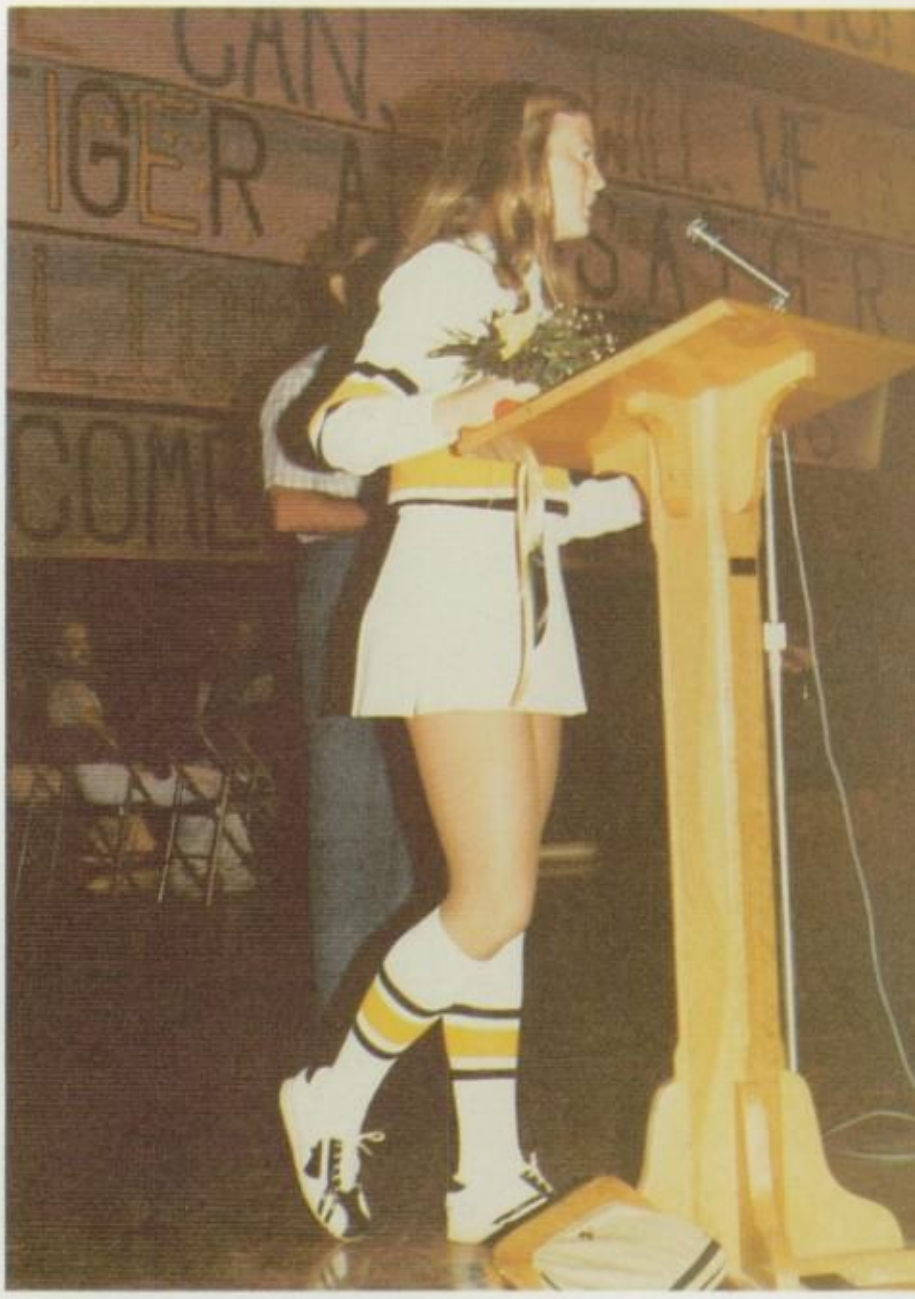








AND ALL THE MEMORIES OF THEE.



Student Life

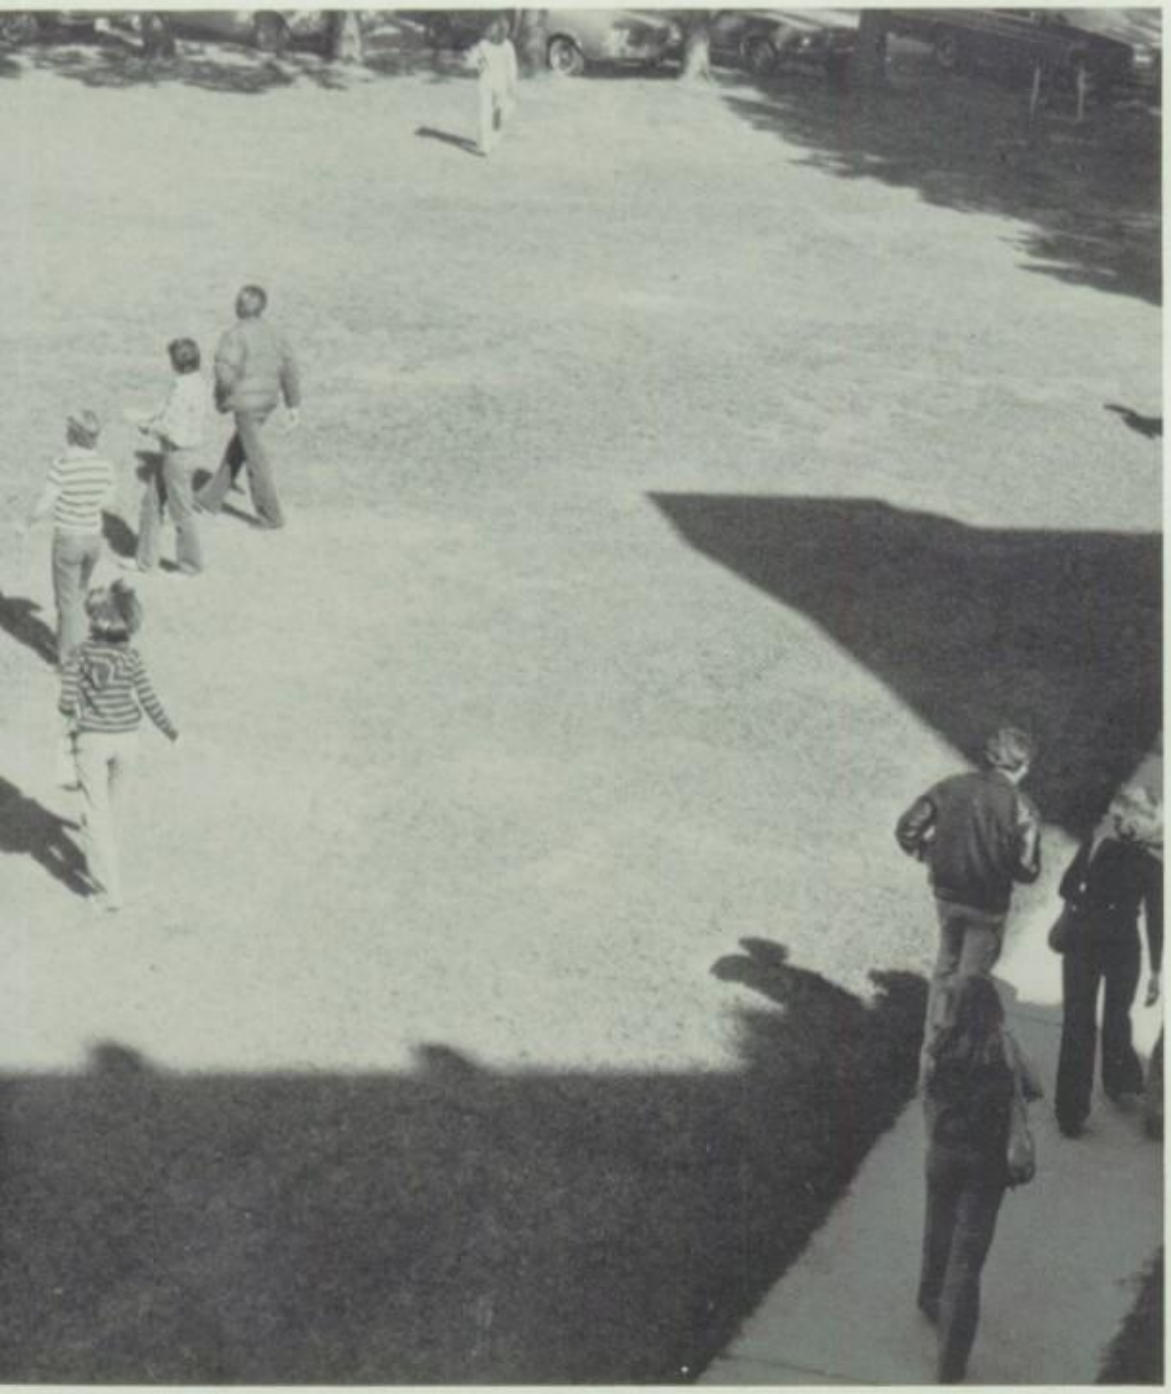
Take away the students, the spirit, and tiger pride and what is left? Only a building with wide empty halls, silent cla rooms, and worn stairs. It's not just the building that makes up a school, but the students themselves.

What are you hiding,

3:01

So THIS is high school?

"Hi, Mom!"



Students hurry to their cars at the 3:00 bell.

Tiger fans leave victoriously.

Go! Tigers Go!

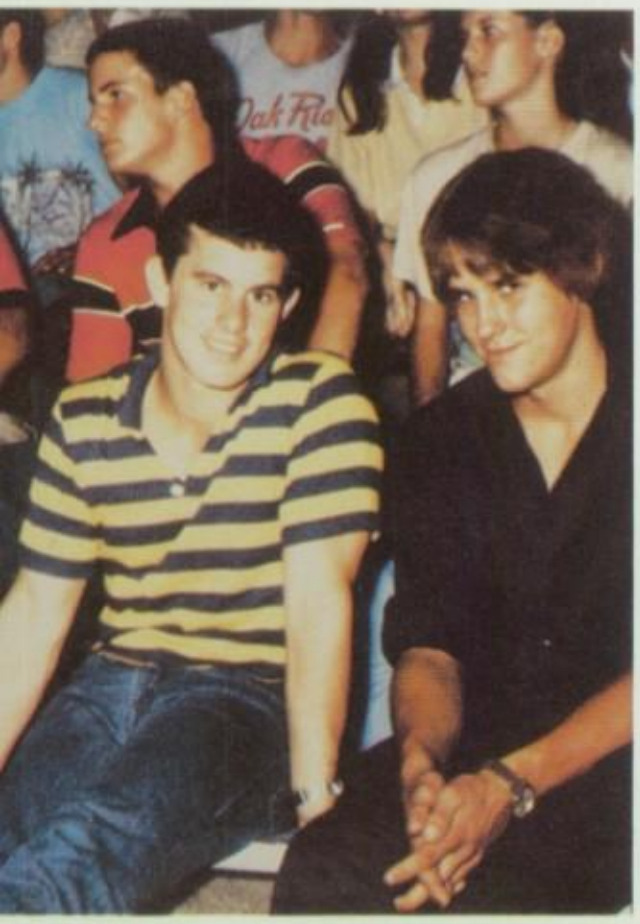
Puckered-up and ready to go!

Kelly! what are you doing?

Neville's future seniors?

Juniors stick together all the way.

"What's wrong?", Little One.



It's about time the photographer got to us!

Student life is not just going to six classes day after day, and facing the same teachers five days a week. It entails much more. It's seeing our friends, and talking about the latest news. It's that little extra boost we give our team and the joy shared by all when we win, and the sorrow when we lose. Finally the bitter-sweet feeling the seniors have when confronting graduation, the excitement of new adventures coupled with the sorrow of breaking old ties.

Over twenty years of loyalty

1978-79 was the first year for students to receive academic letters. These were given to seniors who maintained a cumulative average of 3.0 or better. The students and faculty are proud of these students.

The choir practices for the Christmas concert.

Spreading Christmas cheer, the choir and the band performed at our annual Christmas program. The choir began the program by singing various Christmas carols as slides were shown to the student body. An added attraction was the performance of the younger children of choir members' families. The band, led by Mr. Crowder, performed a medley of Christmas songs exceptionally well for the closing of the program.

The children were an added attraction to the concert.

Candy grams were the Speech Club's idea of spreading Christmas joy. A candy cane was enclosed in each handwritte candy gram and delivered to the recipient in homeroom.

"Don't you dare tell, Mark."

"Ain't we got love."

Now Tim, you know that I can't go out with you Friday night.

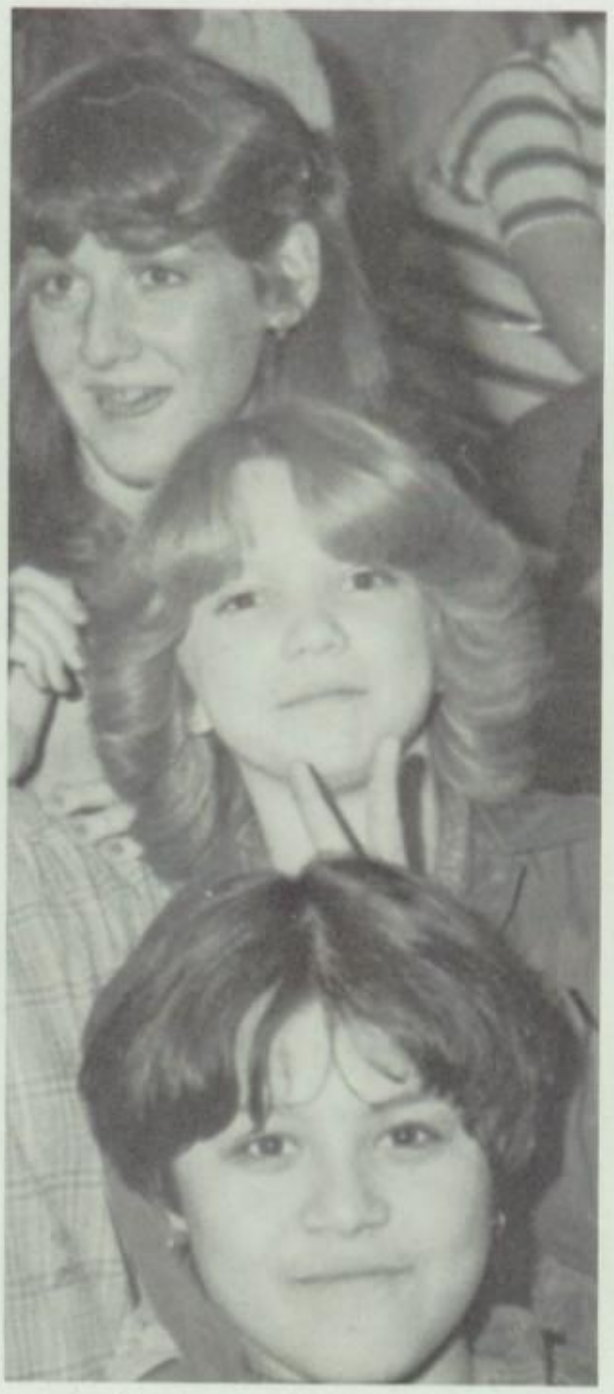
Ain't she sweet.



Freshmen will be freshmen.

"Do we get seconds?"

The second best thing to getting out of school at the end of the day is getting out for lunch. As soon as the bell rings, students run for their cars and race to the nearest restaurant—Frank Walker's, McDonald's or Wendy's, just to name a few. Where there's food, there's fun!

She sure enjoyed her food!

Students gather together to eat on the stairs.

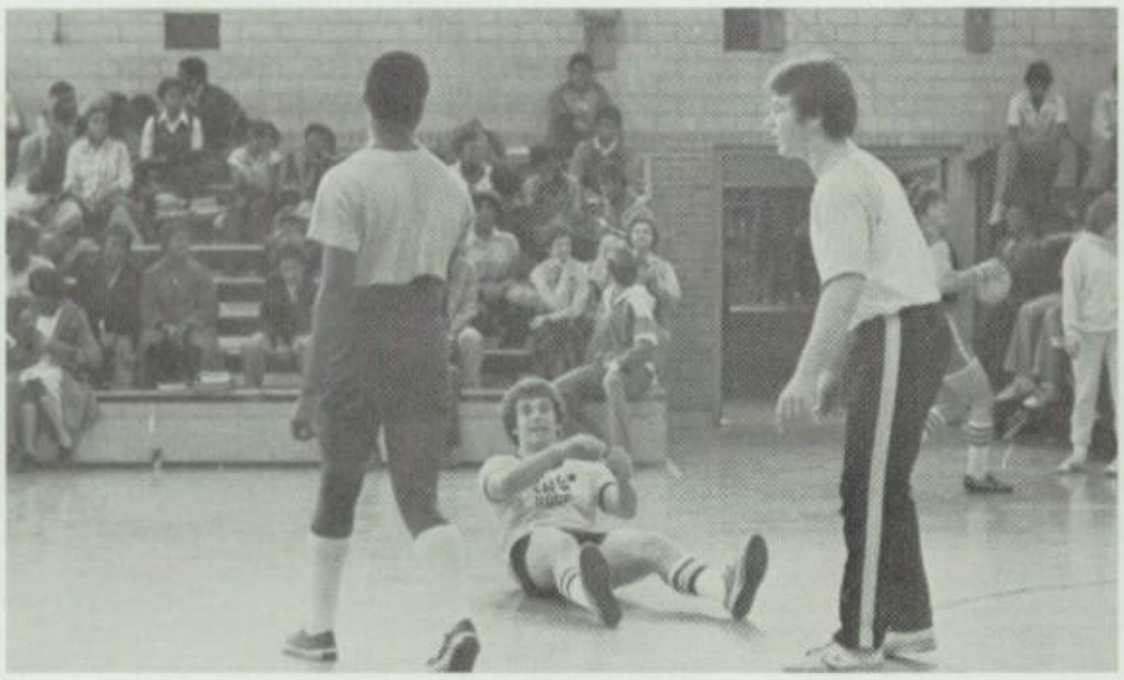
"Hurry up and get to class, Chris!"

"What did you say?"

Cheryl Huff enjoys her Coke at McDonald's.

Sophomores are happy to be back.

In order for the MONROYAN Staff to raise additional funds, they, along with the office staff, challenged the Stude Council to a volleyball game. Between games the Bengal Belles performed two dances. Office staff boys were victorious wh the Student Council girls triumphed.



"Good try, Mike."

Students watch the volleyball game.

"Oh no, here it comes!"

Feotis attempts to spike the ball.

Teresa Lewis and Susan Futayyeh take a break.

"What fun!"

September 15 was a big surprise to everyone. Following the heavy rains the night before, the water rose in the streets an into some of the local houses. Many of our students worked all night to save as much furniture in their homes as the possibly could. The roads were so impassable that school had to be called off. Our scheduled football game with Pine Blu was also cancelled. It took months for some families to put things to right.

The students weren't the only ones we had trouble keeping in school. This year, three of the teachers at Neville missed several weeks of school while they were on maternity leave. Mrs. Freeman and Mrs. Tucker had little boys, while Mrs. Dixon had a little girl.

"Hey, Joe."

What will students remember about their years at Neville? To say that every student will reflect upon the same memor is difficult, yet there is no doubt that many significant thoughts will remain in the hearts of Neville's students as time pas and youth ages. The special times will come to mind–Homecoming bonfire, bus trips to games, conventions, festivals, a graduation. But with these events comes the remembrance of the many challenging hours of work necessary for their succes

Neville will be remembered not merely as a building, but as a time of exchanging hellos with friends in halls, expressing talent through activities and organizations, competing in athletics, and striving for perfection, knowledge, and a greater understanding of life. This is Neville forever.

In Memoriam

Mr. Charles W. Kulcke

Mr. Charles W. (Bill) Kulcke began teaching in 1955 as a biology and chemistry teacher at Neville High School. When Jefferson Jr. High School opened he taught there returning to Neville before becoming principal at Sherrouse Elementary School. He then went to Lexington Elementary School, where he remained until his untimely death last year.

Even though Mr. Kulcke left Neville High School he never lost his interest in the students or in the school. His former students and his many school friends remember him with love and respect. To the memory of such a man we, the student body of Neville High School, dedicate this yearbook, the 1978-1979 MONROYAN.

Mr. Larry Loftin

1978-79 Varsity Cheerleaders

Although the cheerleaders are always pictured together, they are individuals each giving a lot of themselves to Neville. With tears of joy in their eyes and big dreams in their hearts, Leslie Cudd, Kim Greenlaw, Diane Moore, Beth Pate, Diane Miletello, and Laura Cage began immediately after spring tryouts to fulfill their duties and everyone's expectations.

Each summer morning these energetic young ladies were at the school from six to twelve, planning the assembly themes, stenciling four or five posters per game, painting the Alma Mater and football roster, making necklaces for mothers of each football and basketball player, and constructing the massive theme sign for the auditorium–'Neville Rides on Tiger Pride.' They also held the most spirited Tigerette clinic in recent years and earned more than $1,400.00 for the cheerleading fund. 'Giving it all they had' during the school year, the girls planned assemblies and skits, gave parties each week for the players, organized the bonfire and Secret Brothers, plus decorated for the Homecoming Court and for the victory party after the Ouachita game. All their efforts were rewarded when they became the first cheerleading group in Neville history to receive a standing ovation at the football banquet.

Truly sad the pages are as this chapter in Neville's history ends, closing with it the work of these girls. The gift of their unceasing time and energy somehow motivated Neville into giving its all and a little more this year, and the dreams these six girls shared last spring are now the cherished memories of the entire student body. THANKS Laura, Leslie, Kim, Diane, Beth, and Diane. We could not have done it without you!!

The Bengal Belles did better this year than ever before in competition at summer camp in Dallas, Texas. For the first time, they entered the Intermediate Division and brought home the second-place trophy.

In the Miss Louisiana Drill Team Pageant held in New Orleans, the Bengal Belles competed against all other drill teams in the state. Only three teams won sweepstakes trophies with perfect scores of all ones. The Bengal Belles were one of these three teams. We are proud of our Fabulous Bengal Belles!!!

But they found another; 'cause we were too strong!!"

Neville Begins a New Winning Streak Over Ouachita

NEVILLE TIGERS	13
Ouachita Lions	6

The Tigers made the playoffs with a 13-6 victory over archrival Ouachita. This win left the Tigers with an undefeated regular season at 8-0, plus the District 3-AAAA championship.

The 13-6 tally does not reflect Neville's dominance in the game. The Tigers held the Lions to only 37 yards rushing without any sacks. Ouachita did not get a first down until the fourth quarter, and wound up with only three for the night. NHS had 308 total yards and 16 first downs. The Tiger quarterbacks, Steve Fincher, and Bubba Brister, completed 10 out of 12 passes for 105 yards.

But their shoddy imitations can't keep us from State.
Ohh!! We cheer for the Tigers and we're proud.
We always stand out in every crowd.
Now, I look around me and I say, "There seems to be a Neville Tiger craze."

Nevil ended the season with an 8-1 record.

The rights and responsibilities of a school community are shared by students, teachers, and administrators. Student Councils, by representing students' needs and interests to educators and by developing programs to meet those needs and interests, contribute significantly to making the community "work."

Through such activities as the summer bottle drive, the sale of Neville hats, and the organization of Freshman orientation, the 1978-79 Student Council started the year off with "a bang."

New homecoming celebrations were inaugurated this year and the Council participated by entering a homecoming display and, in conjunction with the annual staff, presented a multi-media show featuring the Neville student body. The Humane Society was "adopted" as a continuing project and the halls of Neville were brightened by the Halloween pumpkin decorating project; the Christmas door decorating contest; and the New Year's Resolution signs. Other projects for the year included cleaning the World War II Memorial in the auditorium lobby, providing a drug abuse demonstration-talk program for two elementary schools, caroling at a local nursing home, Santa Claus visits to children in the community, collecting $163.00 for the Goodfellows, selling of Tiger license plates, participating in student volleyball games, sponsoring a talent show and the annual Seniors' Superstar Contest.

This year's Council members developed and exercised Civic responsibility in the school and community as they made choices, planned and carried out programs, and dealt with the responses of their constituencies and others.

The Interclub Council serves as an advisor to the various member organizations at Neville. It sees that each club fulfills its objectives as outlined in its constitution. In order to prevent conflict, the Council coordinates the activities of the member organizations by sponsoring a school calendar hung in the lobby. This year the Interclub Council was responsible for organizing the Homecoming displays, the Christmas tree in the lobby, sending Christmas cards to each member of the faculty, cleaning the memorial in the lobby of the auditorium, Teacher Appreciation Week, and painting trash cans and placing them in needed areas.

During the 1978-79 school year, the Neville High School National Honor Society continued "to promote and recognize Scholarship, Leadership, Character, and Service." Once again as one of the major projects, the Honor Society compiled and sold the Student Directories. Other activities included "Teacher of the Month," homecoming cakes for the teacher's lounge and alumni reception, homecoming poster party, guest speakers such as Dr. Mike Cage at meetings, paper chains for the Barbe game, donation to the Goodfellows at Christmas, and a clean-up project for the school. For their special Christmas project, the Honor Society sang carols at St. Joseph's Home while distributing fruit baskets to the elderly. In November, twenty-seven new members were inducted into the Honor Society.

There was a tremendous amount of work that went into the publication of the 1979 MONROYAN. Ads were sold; layouts drawn; pictures were taken, cropped and identified; write-ups, captions and headlines were typed as well as proof-read. In addition to these responsibilities the annual staff re-established a sound financial basis for the publications department.

The MONROYAN Staff received the top award, Best Total Design, at Henington Yearbook Workshop at N. L. U. this summer. Head photographer, Jimmy Terry, received an award for the Best Candid Photo. The sponsor, Kay Dixon, worked unceasingly with Editor, Doug Seegers, to make the 1979 MONROYAN a success.

NEVILLE HIGH SCHOOL

600 Forsythe Avenue

MONROE, LOUISIANA 71201

Dear Monroyan Advertisers and Fans:

I would like to take this opportunity to personally thank you for the help and cooperation you have given the Monroyan staff during the past school year. Without your assistance, it would have been impossible to give the Neville student body the type of yearbook they now possess.

It is hoped that the ad layout for your firm is satisfactory in every respect. If you have any suggestions for improvement of any kind, please do not hesitate to contact us. A Monroyan ad is definitely not considered a mere contribution but a business-like investment. Students look through the ads section more now than they ever did before. This adds greatly to your display's worth.

I sincerely hope that the yearbook's relationship with your firm has been a pleasant one and that it will continue for many years to come. Your patronage is greatly appreciated.

Very sincerely your,

Kay M. Dixon

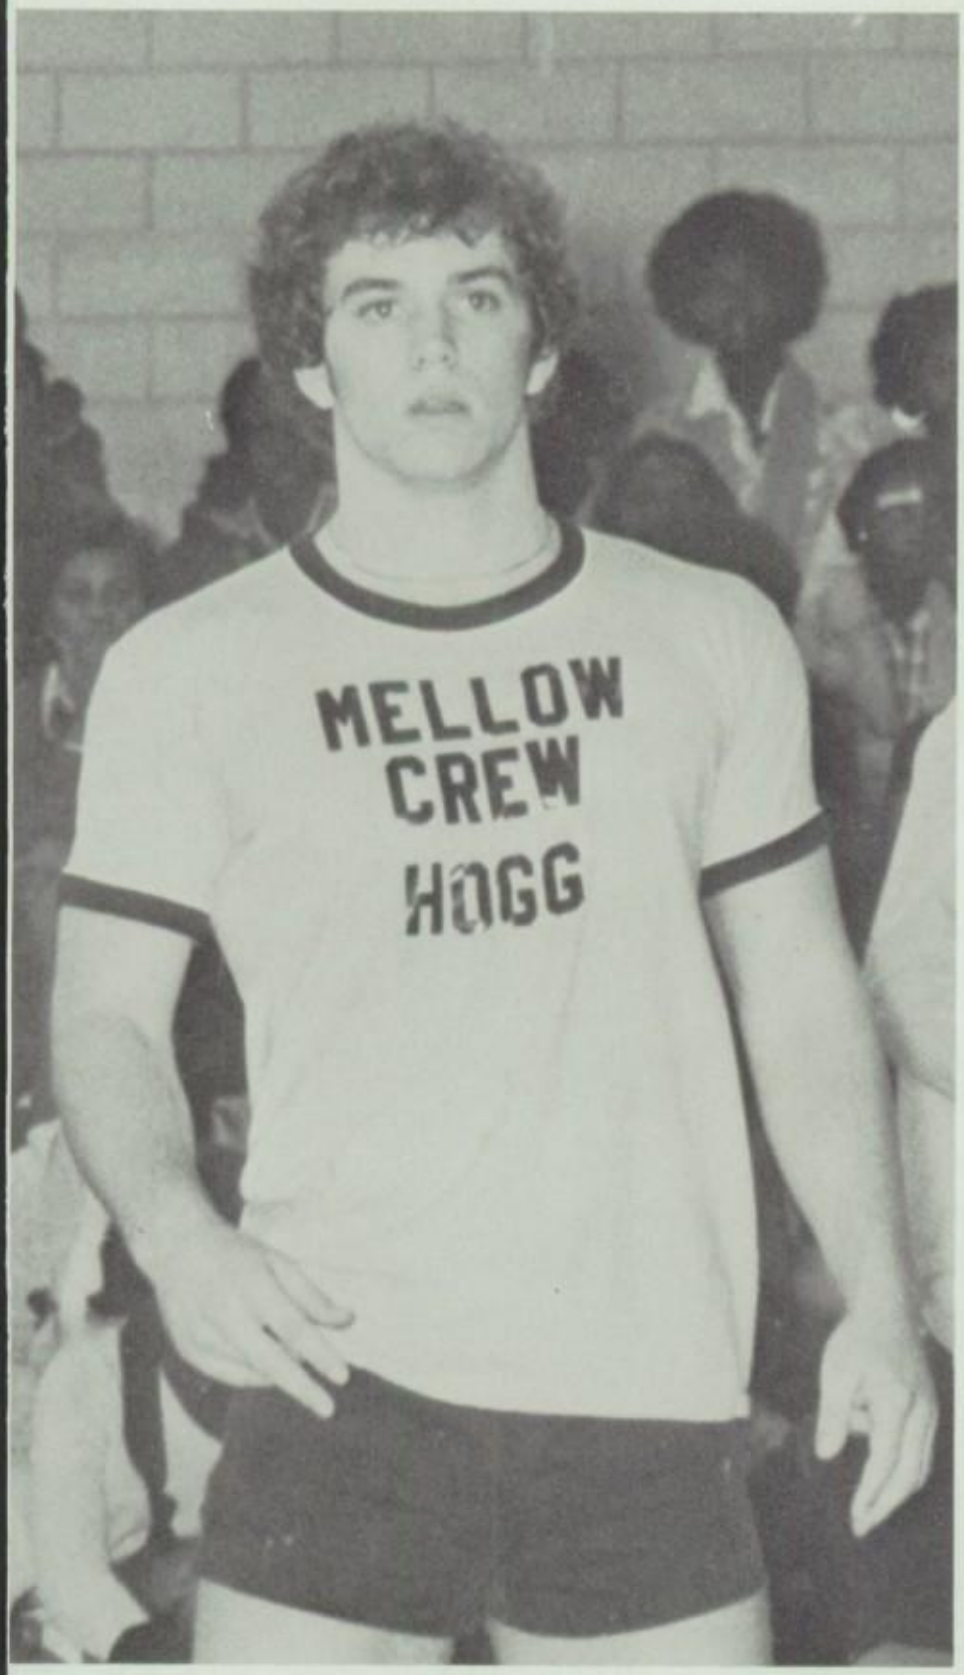
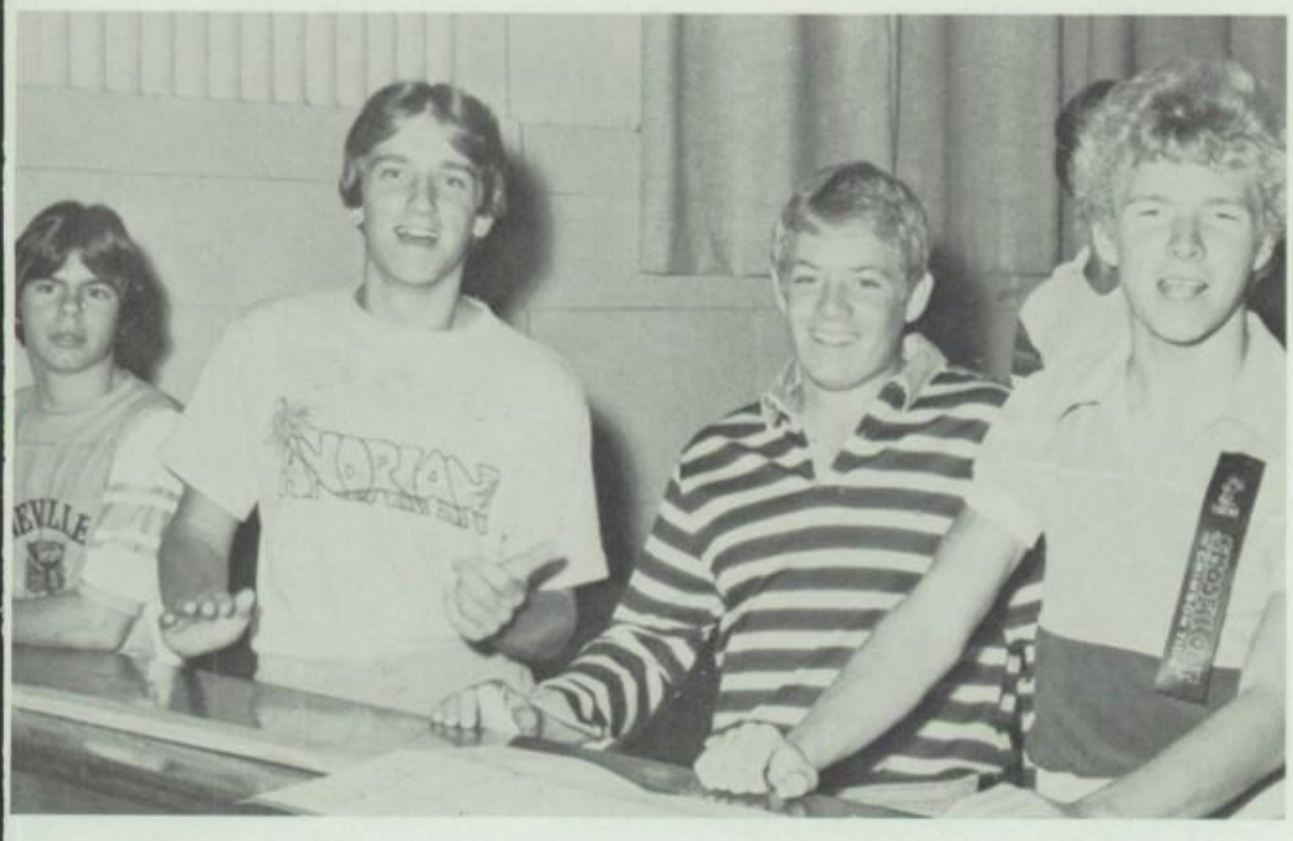
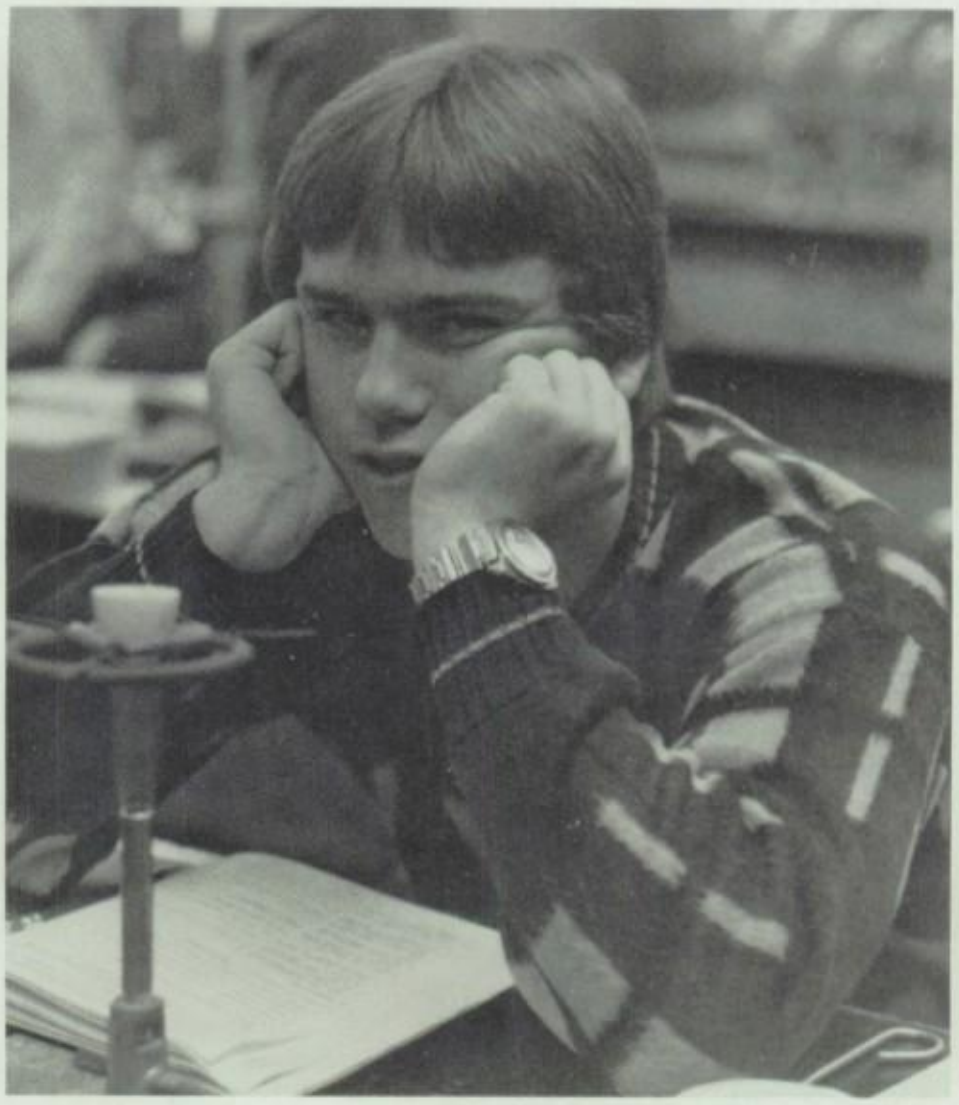
The year was only
One lone noisy day
That never knew a quiet night.
The whole world was beautiful.
I learned there is a world of grays
Even in the dead of night.



But I cried too
Sometimes.
There were so many who didn't
understand.
And I have some wounds
That I'll never talk about.

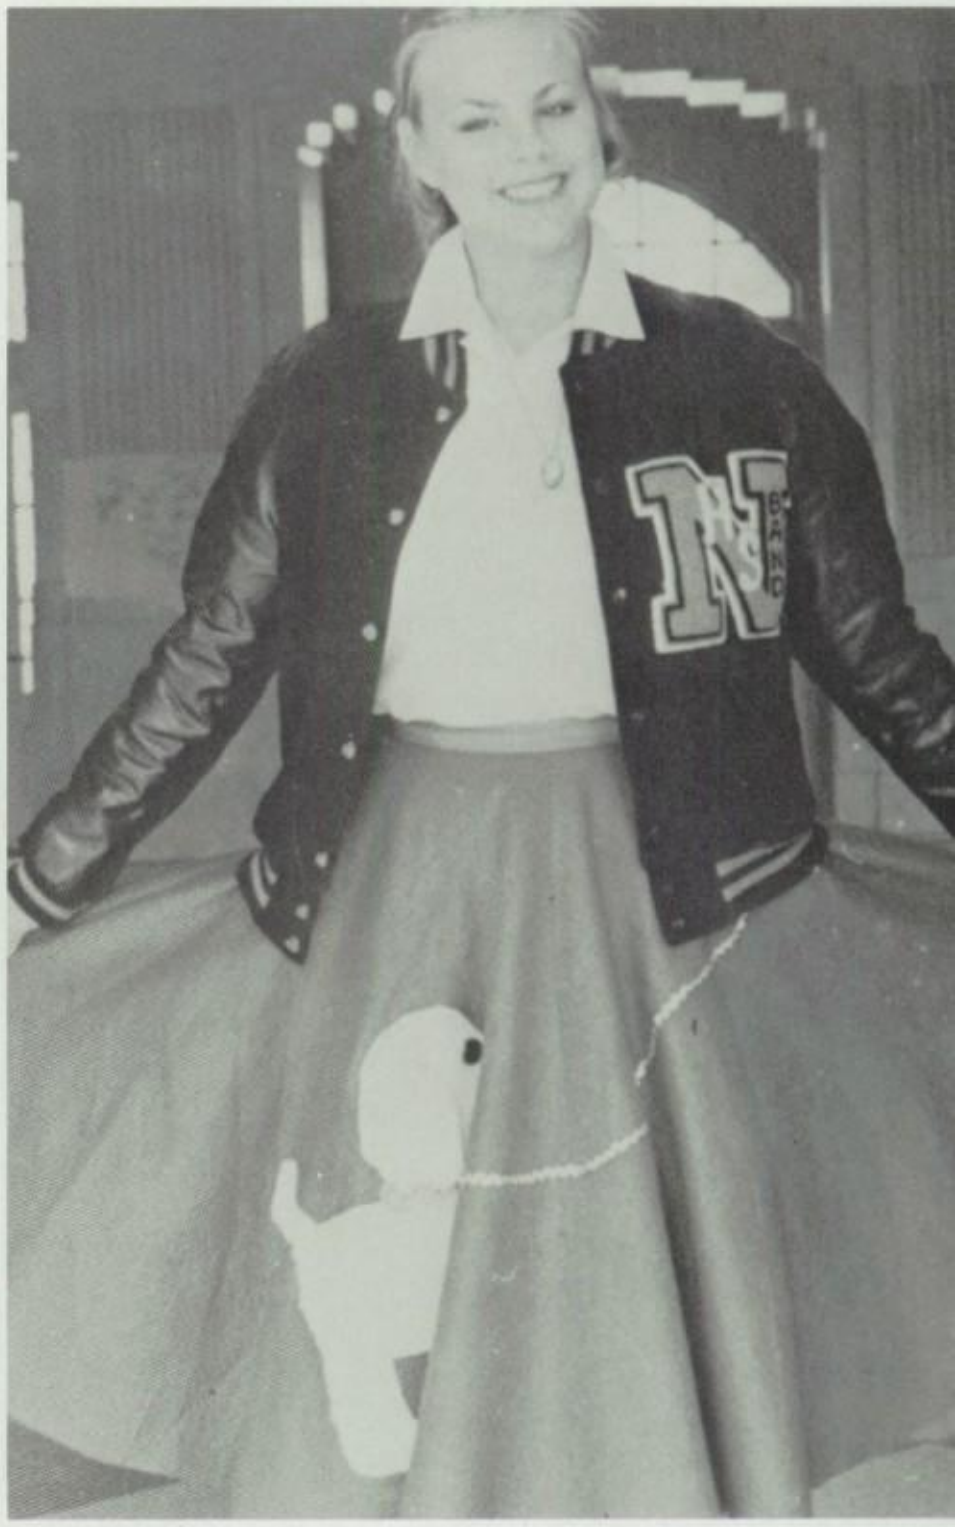
Times?
Oh, I had some times.
I grew rich on laughter.
I felt the touch of friendship
And found the beauty
Of an out-stretched hand.
I learned that I was human
And alive.

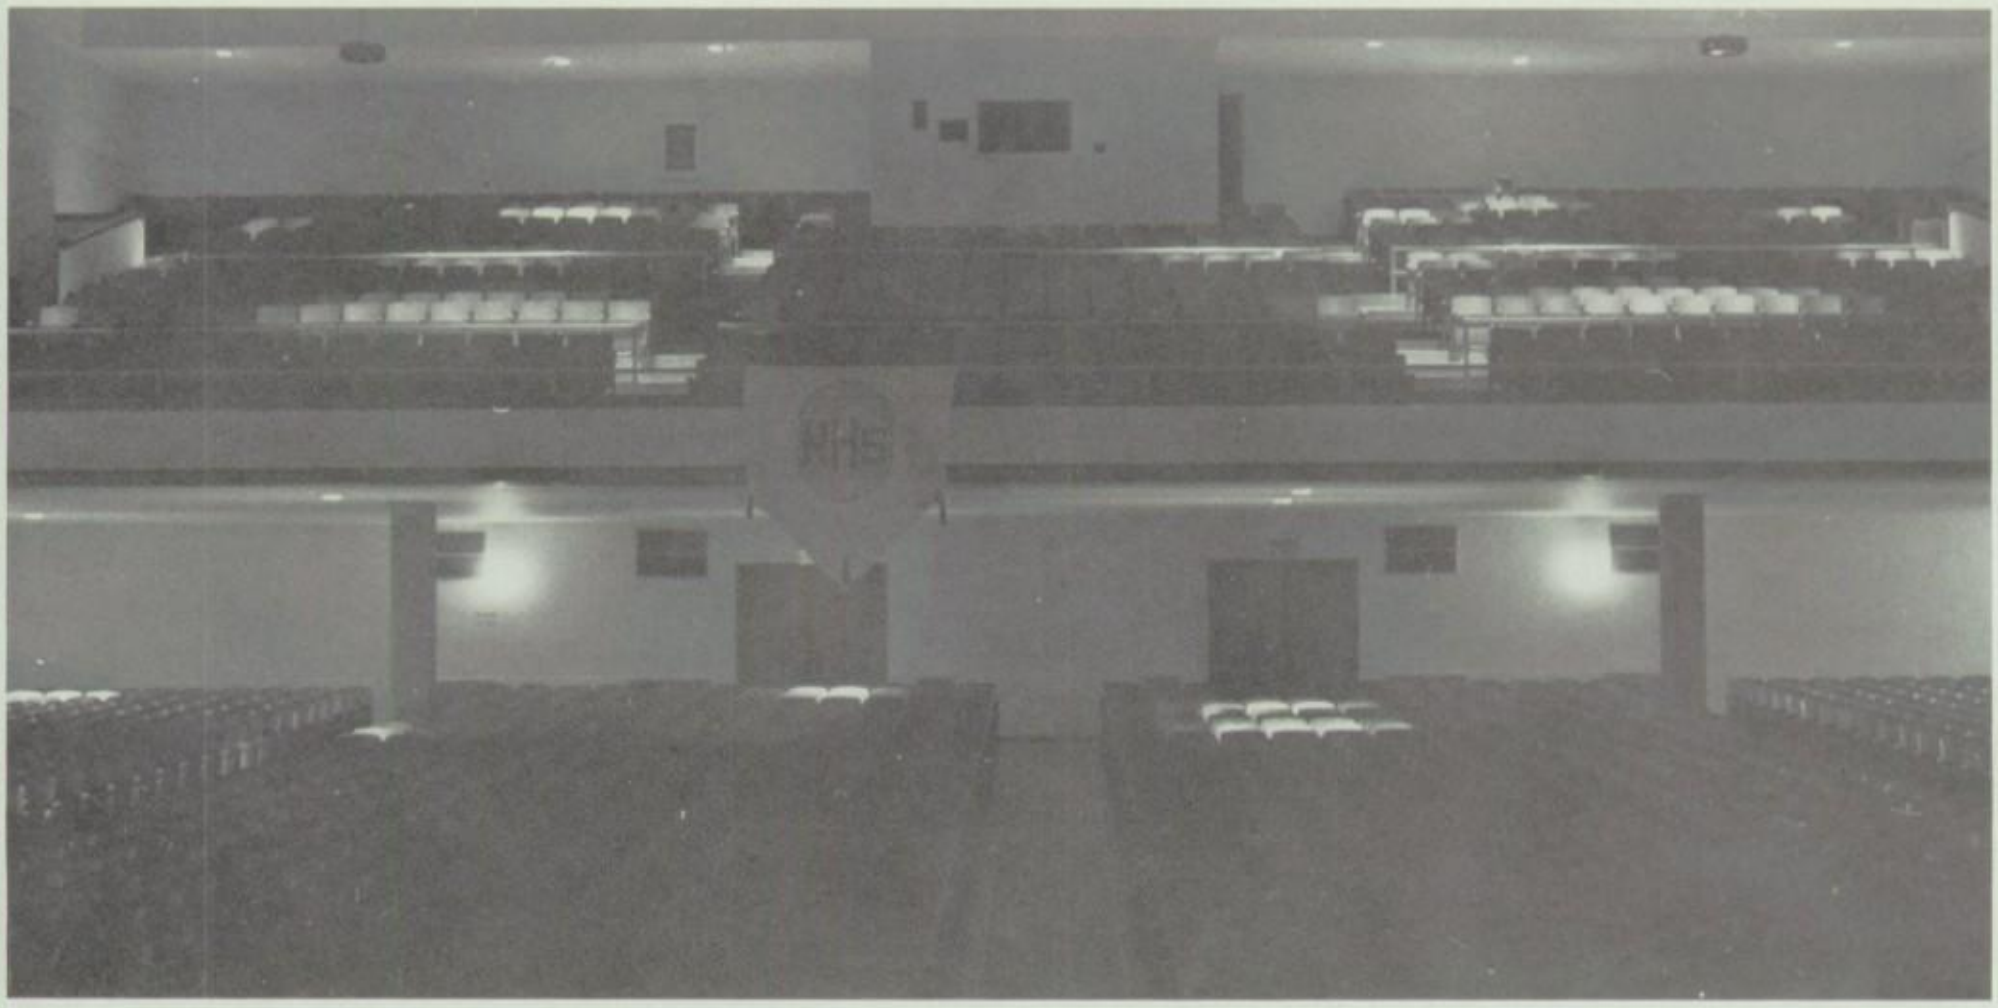




I grew.
Reaching, searching, moving,
Continually moving
Sometimes with deliberate direction,
Sometimes in search of an unknown,
I turned corners and things changed;
Like wrinkles changing into dimples
And night times changing into day.

And I changed too.
I'm not a child anymore.
I learned a lot from crowded
Rooms and hallways
About people
And myself
I still don't know all the answers,
I guess I never will,
But life isn't built on answers.
It's the questions that make you grow.





Now the year is over
And I leave
On my way away
Or toward
I suppose it was a glad adventure
However quickly gone.
